HL783NP 高级电脑数控花样珠边机

本产品是海菱服装系列设备中的专业机种。搭载先进高性能专用电脑数字控制系统。缝制速度、针距、珠点调整均可作出精准调谐。本机同时具有独立气动压脚提升和膝动提升压脚功能，珠点正反调整按钮，半针调整按钮。系统内存有0-99共100个程序，且每个程序具有1-15针可以循环缝迹功能(每1针是正面线段和反面线段组成)。在每线段可以输入任何线距(0.5-0.75mm)。设计独特的护针装置，使得在高速缝制、质地较厚的布料或转弯缝制时亦不易断针，适用于高级西服、大衣、职业装、休闲装、时装、衬衫等布料产品装饰性缝制。

This product is a special machine of Highlead brand garment machineries. The digital control system enables precise adjustment of sewing speed, stitch length and pin-point stitches. It is equipped with pneumatic presser foot lifter, knee presser foot lifter, top and bottom stitch changeover button and semi stitch button. There are 100 programs in the memory of the control system and each program has the function of cycle stitching within the range of 1 to 15 stitches. Each stitch consists of top stitch and bottom stitch and each top stitch length and bottom stitch length can be input within 0.5mm to 0.75mm. The specially designed needle guard prevents the needle from breaking when sewing at high speed, or stitching thick fabric or performing corner sewing. It is available for decorative stitching on super suits, overcoats, professional uniforms, casual wears, fashions, shirts, etc.

型号 Model	HL783NP 仿手工缝纫机 Hand stitch sewing machine
最高缝速 Max.sewing speed	350 - 500 r.p.m.
针杆行程 Needle bar stroke	37 mm
压脚提升 Presser foot lift	8 mm
线迹长度 Stitch length	0.5 - 7.0 mm 
缝线根数及长度 Number and length of thread	1 / 120 cm
送料方式 Feeding	下送料牙和交替式上送料牙 Lower feed dog and alternate upper feed dog
机针 Needle size	780C 16 [#] - 23 [#]
润滑方式 Lubrication	手工润滑 Manual
空气压力 Air pressure	0.5 MPa
可记忆花样数据数 Memory number of pattern data	100
主轴电动机 Main motor	220 伏 750 瓦伺服电机 220V 750W Servo motor
